CAROL & HUMPH

After sweating over hiring a local plumber for weeks, Carol decided it was about time to give one a call. When he arrived packing his tools, she answered in her skimpiest lingerie. She showed him her pussy and said "It's always wet. I think it needs fixing," and he got to work cleaning her pipes.

Hot Summer Nights

When I lay back and think about hot summer nights, I always drift back poolside. It was a Vegas resort, with the desert heat keeping the pools open late in the 24-hour city. We were out for my buddy's bachelor party, and we got ourselves a private cabana to celebrate. Eventually, it got so late that the crowds started to thin, and the party seemed like it was moving on.

We were getting ready to follow it when a group of chicks came by, looking like they were looking for the same party, so we invited them to ours.

We ordered another round at the cabana and started talking. Once they find out it's our buddy's bachelor party, this beautiful dark blonde with titties ready to jump out of her bikini jumps up on his lap and starts grinding away. We cheered them on, any other party already forgotten by the time her friend took her place. This one was a redhead who looked like she was performing a gymnastics routine on our friend.

Even as we watched the show, the chicks were moving in on the rest of us. It was like something out of a dream, beautiful bodies, so many of them, moving over our laps and letting their massive boobs tease us in our faces. Even as I knew my buddies were getting some of the same attention I was, it felt like I was the only guy there.

It didn't take long for one of the chicks to pull her top off, wrapping it around the back of my neck and pulling me closer. She was grinding hard on my lap, feeding off my moans. It was like they were passing us

around. One second, I'm holding a tall, leggy blonde and the next, an athletic brunette.

All around me, tops and bottoms are coming off, some just dropped, a couple flying in different directions. Some were from the chicks, some from my buddies, and at least one of the thongs looked like it had been ripped apart. In the gaps in my vision, I could see the cabana had turned to a celebration of flesh. One buddy was already balls deep in one chick, while another looked like he was drowning in pillow boobs.

And then, my attention was entirely absorbed by a chest that appeared in front of me. Huge, with rock hard nipples that I couldn't help but play with. And while she stood over me, I felt another chick pulling down my trunks.

A second later, I could feel her warm breath moving over my hard dick that throbbed toward her mouth, wanting the company. She seemed to read my mind because I felt large, luscious lips slide over the head and down the shaft. I was on overdrive, starting to thrust into one chick's mouth while playing with the amazing boobs in front of me.

It seemed like the chicks finally had settled on their choices, and I was lucky with these two. I finally was allowed to look up at the one with the enormous tits and saw

40+ #18

40+: *I've been invited to a movie set in Southern Florida at a nive large house.*

Brandi: Hi there! welcome to my shoot. I'm glad you found the place.

40+: *Yeah, I've been here before. So nice to see you again Brandi.*

Brandi: Let's go out by the pool where we can talk and sip on a cooler because it's going to get hot today. Right this way...

the dark blonde who had given the first lap dance. She had the smoldering eyes of a woman who knew exactly what she wanted. And in that moment, she pulled me up and away from the other chick on my dick.

She moved the other chick, a strawberry blonde with a slender, athletic build, to the couch where I'd been. The leader then glanced back at me before bending over to bury her face in her friend's chest, leaving her ass sticking out in a welcoming position. She flicked at my dick with her cheeks a couple of times, and I took the hint.

I shuddered as I slid my throbbing meat in her tight, waiting ass. If she moaned, she hid it well, her face buried in her friend's chest and, I noticed, her hand moving toward her friend's cunt. I was on autopilot at that point. I forced my cock as deep and hard as it could, driven by the moans of both girls.

As I throbbed my cock, the two chicks under me started making out. I held on, letting the girls get into each other as much as I was. When I finally couldn't hold back anymore, I quickly pulled my dick out and stood over the two chicks, shooting thick hot streams all over both of their chests. Even as I collapsed back into a seat to recover, they had one final gift for me as they licked my ropy jizz off each other's smooth bodies.

The group of girls wished my buddy a happy bachelor party and vanished as quickly as they appeared. They say that hot summer nights can play tricks on the mind, but one thing we all agreed on was that it was an amazing and incredible night that we would never forget.

— J.B., Bronx, N.Y.

The Layover

I hate flying. My 6'2" frame rarely fit well in the cramped seats and travelling internationally with the connections is even worse. By the time you add in a large, muscular man intent on taking up as much of the row as possible along with a weather delay at one of the airports, and I was starting to think that even my sister's wedding wasn't worth this.

Even with all this, things didn't get weird until I took a seat at the bar, only to be joined by the same muscular man from the plane who was trapped by the same weather delay. Despite my best efforts, he managed to strike up a conversation and once it was announced that our flight would be delayed until the next morning, we agreed to go halves on a hotel room just to get some rest.

We ran through the rain to get to the hotel and, though my stomach was rumbling, the café was full, and we decided that we could still order room service. As we took the elevator up, I started to feel tired, the travel, the alcohol, and lack of food all catching up with me. The man noticed and reached a strong arm out to hold me steady and guided me down the hall to the

40+: *Thank you. I could use a nice cold drink.*

Brandi: *My call time is in an hour, but realistically, probably three hours away. (chuckles)*

40+: *May I ask what your scene is today?*

Brandi: *Sure. Well, today I'm a MILF who's gonna fuck the poolboy because I left my wallet at the country club. Far stretch isn't it? Then, my neighbor will swing by after picking up those items from the club. Then we do this threeway in the cabana.*

40+: *Yes, that sounds very realistic to me.*

room, where we both collapsed on the single bed, drenched in the only clothes we both had.

We undressed and he hung up our clothes in the bathroom to dry out, leaving us both tired and naked. I watched him as his eyes moved up and down my long, smooth body. My long, black hair stretched out behind me, wet from the rain. Without a word, he let his hand drift over my skin, just off my flesh as he commented on how beautiful I looked. It wasn't something I often believed, but he had a way about his voice and tone that said he meant it. He looked deep into my dark hazel eyes and leaned in for a soft kiss.

Everything in me told me to stop, but I didn't, I couldn't. I felt a spark from his lips that I couldn't explain, a sense of need and rejuvenation. I grabbed his arm and slowly pulled him over on top of me. I felt his strong chest and legs finding their way to hold me down, even as his hands started to play with my perky nipples. I wanted him. I wanted his hands over me, his body pressing me, his dick inside of me. I squirmed under his bulky frame, my crotch aching for him. He gave me a look, questioning, wanting to be sure. I couldn't say anything, only nod. He took the cue and slid himself deep inside.

I threw my head back and arched upward, trying to drive myself up onto his thick shaft, absorbing his meat deep inside. It took a few thrusts to get used to him, but once I did, I didn't want to let go. I screamed and moaned for him to go deeper, harder. He obliged, thrusting himself upward. With one strong arm, he pinned my arms over my head, with his other, he held on as he pounded me so hard the bed was crashing into the wall.

His arms moved back to wrap around my body, picking me up, and pressing me against the wall and supporting me with just his cock. My eyes rolled into the back of my head as I

bounced on top of him, amazed by the positions and angles he was able to find.

It was like each thrust was a new experience scrambling my insides each time until finally, he threw his head back and held me down as he filled me up, both of us falling back on the bed. All night long we kept going, feeding off each other's energy. He took me from behind in the shower, and pressed me up against the window, looking out over the airport and the storm keeping us grounded. We ended the night with one last round of passion, with him falling asleep deep inside me.

I knew it wasn't meant to be more than a night, though I admit that I desperately needed what my seatmate was able to give me. We woke the next morning and went our separate ways through the overcrowded airport and, I thought, out of each other's lives forever. However, when I finally arrived at my sister's wedding,

I had to reign in my surprise to find that the man was standing at the altar, my sister's groom. In the years since that day, we haven't spoken about that night, nor have we broken my sister's trust. But I can still see it, that glint in his eye, and when I do, I still feel the rush of the best layover I've ever had.

— Estelle P., Indianapolis, IN.

Brandi: Believe it or not, it's based on a true scene from this lady up the street. The director says she told him her story a couple months ago. He asked if she would recreate it, but she said no, but he could use it in one of his movies.

40+: Good story!

Brandi: Yeah! Why don't you hang a while and watch it?

Watching wifey and her BFF

A husband
peeps on a
scene where
the chicks were
hotter than the
bathwater

My wife told me I wouldn't believe Cathy when I met her. Linda kept telling me how Cathy was the kind of California Girl that the Beach Boys swooned over. Still, all the hype didn't prepare me well enough.

Cathy arrived Friday afternoon, rolling up our driveway in her yellow sports car. She had the top down and her long blonde hair flowed in the air. She hopped out and did a light bouncing jog to where I stood by the front door.

She was wearing tight-fitting jeans faded a pale blue, pointed-toe cowboy boots, and a mesh top with wide gaps in it; gaps so wide that her mauve areolas poked plainly through, covered by nothing at all. My cock was hard in my pants by the time her smiling face was enough to introduce it.

"Cathy," she smiled, California white teeth glowing.

"I'd have never guessed," I replied, meeting her eyes just long enough to be polite, and then going back to her breasts. "Nice top." Sure, I could be cool.

She replied with, "I wore it just for you." To that, I had no reply. I'm not that cool.

Cathy spent the rest of the evening bounding around our house in that top. And I just couldn't seem to get enough of looking at her.

Linda didn't seem to mind my interest in her friend. As a matter of fact, I got the feeling she'd have been more insulted had I not noticed.

The two of them used up a lot of conversation on things I knew nothing about. You know, the usual: What had happened in the three years since they'd last seen one another? How was her family doing? Where were their old friends now?

I didn't listen much. I just watched Cathy. She had a way of moving that was liquid seduction, each move a gyration, like a subtle dance. And she seemed so perfectly at ease in that top, showing me her tits, sometimes even glancing her hands over her breasts, touching a nipple, making it stand erect.

The distraction was obvious, but so much so that I never realized that Cathy and Linda were playing a game with me. Every so often I'd catch them snickering playfully, only to have them say it was some private joke.

It took a verbal hammer to the brain for me to catch on to just what was going on. It was around ten that night when Cathy said she was going to take a shower. Then, just as she started down the hall for the bathroom, Linda said: "Wait a minute. I'll take one with you."

Off they walked to the bathroom, arm in

I just watched Cathy. She had a way of moving that was liquid seduction, each move a gyration, like a subtle dance. And she seemed so perfectly at ease in that top, showing me her tits...

And there they were, kneeling in the tub, hot water pouring from the faucet, raising moist steam in a haze around them. Naked, they faced one another, smiling coyly like lovers, and speaking softly.

arm. The bathwater was running in the master bathroom. Cathy and Linda were already inside the large tub, and they'd been kind enough to leave the door open wide enough for me to peek in.

And there they were, kneeling in the tub, hot water pouring from the faucet, raising moist steam in a haze around them. Naked, they faced one another, smiling coyly like lovers, and speaking softly. Cathy's breasts were so well-shaped—firm, high, with wide nipples. Of course, my wife was equally as gorgeous but my libido was used to her.

All at once I found myself getting caught up in the beauty of seeing these two women together. My wife and her girlfriend: the blonde svelte Cathy; the brunette, slightly larger-breasted Linda. Both posed with their shoulders back, breasts jutting forward.

They had beautiful curves to their bodies; lean waists and a sway in their backs, making their asses seem like they were bending over for me. Slowly Linda reached out, touching her fingertips lightly onto Cathy's breast. She slid her touch to the underside of her friend's tit, rubbing it, coming up onto her nipple, taking it between the meat of two fingers and pressing together softly until Cathy winced with pleasure, biting her lip.

The water continued to run hard and hot, splashing into the deepening tub. The steam was thicker now. The humidity of the air made their faces glow. Cathy leaned back underwater and then her body rose up, breasts and loins coming out of the water, holding herself in that posture with her arms. She opened her legs.

Water dripped from the wet matted hairs of her pussy.

Linda touched Cathy's vagina, opening her, combing aside the wet blonde hairs to expose a seam of pink folds. Cathy tilted her head back, hair dipping into the tub. I heard her gasp. "Yes, do me! It's been so long since I've felt your tongue..."

Linda pressed her mouth against Cathy's pussy. I watched from behind as her head moved slightly up and down between her girlfriend's legs. I could imagine the length of her tongue licking into Cathy's slit, penetrating her, fucking her with her tongue, making her clit jump.

Cathy was crying, "You get me going so fast. So ready; so fast. I can't wait!" And then moaning. Splashing water as her hips churned, excited by Linda's mouth, finally going back into the water, Linda's head following her under for a few seconds, and then resurfacing.

Linda shook out her hair, letting it fall wet over her shoulders. She reached for the faucet and turned off the water. The massive tub was now filled. The steam hid a clear view of the two naked women in a sexy haze.

They curled up, wrapped in each other's arms, kissing, legs entwined. Cathy's hand slid from Linda's breast, down her flanks, slipping between her legs, touching, pressing. It seemed so quiet now. No more rushing faucet, just the mild lapping of the water against the sides of the tub, moved by stroking bodies.

"You want me to do you?" Cathy asked my wife.

Linda said, "Eat me." Then, while Cathy kissed her way to Linda's pussy, my wife looked at me for the first time. I felt a jolt fire run through me. Caught in the act ... but that was the idea. This whole bathtub scene had been designed for my pleasure as well as theirs.

Linda brought her cunt to the surface, letting Cathy lick into her. She gestured for me to join them. She balled her hand into an easy fist, extended her middle finger, pointed it at me, then to Cathy's ass. Mouthing the words, "Fuck her," Cathy knew what was coming.

As she licked my wife, with me now standing next to the tub, she raised her ass up high, moving it in circular motions for me. Spreading apart her knees so that her pubis would blossom and open for me, showing me

how wet it was. I stripped quickly as Linda watched me undress. She smiled at me and once I was naked reached out for my cock. She stroked me, her hand slipping up and down my shaft, lubricated by the oil from the bath beads in the tub. The feeling was incredible.

With her other hand, Linda grabbed Cathy's hair, yanking her abruptly from her pussy so she could turn her attention to my cock. Cathy seemed excited by having her hair pulled. She looked up at me as she opened her mouth and started sucking on my cock. Her eyes were such a turn-on, showing just how much fun she was having. Her tongue was wild, moving thick and hot with saliva around my cock while she held me in her mouth.

Linda still had a hand on me, touching my balls now. Her other hand was between her legs, getting herself off, that faraway look of an approaching orgasm on her face. "Fuck her!" she said, watching Cathy suck my cock. "I want to see you fuck her."

Cathy's mouth pulled back. She turned around in the tub, her ass now toward Linda, spreading open her pussy by reaching one hand back over her ass. "Fuck that wet pussy," my wife urged, her voice throaty with arousal. "Get into it. I want to see you do it. I want to see you give her the fucking she needs."

She slid sideways in the tub, giving herself a side view, both her hands working her cunt. Cathy smacked her own ass. "Get me by the hips and do it. Just fuck me. I've got to come." She was half gasping. "She always gets me so turned on; so hot. Come on! Do it!"

Grabbing Cathy's hips, I pressed my cock-head between her legs, felt the silky heat of her cunt surrounding me almost at once, and thrust myself deep inside her. The feeling of the firm tension of her channel creating a pleasure groove around my shaft was unbearable.

Linda, who was feverishly masturbating, cried, "Yes! Yeah, I love it. Looks so good." Her hands were pumping herself fiercely now.

What a turn-on. Can you imagine fucking a hot chick while your wife sat there and watched? It was unforgettable. Cathy was moaning, her ass still moving, thrusting back, wanting every inch of my cock. Linda was close to coming and I was lost in the ec-

stasy of enjoying every wonderful stroke into Cathy's pussy. The feel of her cunt, the soft oiliness of her skin as my hands wandered from her hips to her breasts. It was all just too much.

Finally I exploded, grabbing Cathy's hips again, fucking fast and hard through the height of my climax. Then I collapsed onto her back, looking at my wife. Even now, the image of her spent smile and her cunt hairs still spread showing me her slit can get me hard.

Much later that night—the early hours of the following morning actually—she cuddled up close to me in bed. Both of us were naked. When her legs opened over mine, the continuing moistness of her pussy was obvious against my thigh.

"We've always had a thing for one another," Linda admitted. "Cathy and I. I never had the nerve to tell you. I kept putting it off thinking the subject would never come up." Linda paused. "You don't mind, do you?"

Obviously that was a silly question. I kissed her and said, "I've just been lying here thinking about the two of you frolicking in the tub together." I took Linda's hand, led it down to my stiff dick throbbing beneath the sheets.

Linda threw back the covers and mounted me, putting back her shoulders and jiggling her breasts just slightly, the way it drives me nuts. "I'm going to have some more all to myself," she said, rubbing her pussy against my cock. "Tomorrow I'm liable to be in a sharing mood again."

As she licked my wife, with me now standing next to the tub, she raised her ass up high, moving it in circular motions for me. Spreading apart her knees so that her pubis would blossom and open for me, showing me how wet it was.

DAISY & PAUL & TONY

When our weekly game of strip poker ended in a draw, my husband and I decided that we'd both won our bets. I got my threesome and he got his "sexy trainee" roleplay. After getting our neighbor and ourselves into "uniforms," we wasted no time.
